Petition History

This petition appeared before the Technical Advisory Committee on March 22, 2011, and received a public hearing at the April 4, 2011 APC meeting.

Project Overview

Project Location

The subject property is 8.5 acres located in Custom Commerce Park at 17397 Oak Ridge Road (the "Property"). The Property is located approximately a quarter of a mile south of State Road 32, abutting Oak Ridge Road to the west, the Midland Trace Trail to the north, and the Monon Trail to the east. The Property is currently zoned Custom Commerce Park PUD, with the underlying zoning district being Enclosed Industrial (EI).

Project Description

The proposed development plan is for a 50,557 square-foot building that will be the location of the national headquarters for Automatic Pool Covers, Inc (the "Project"). The development proposal includes a 50,000 square foot addition to the East face of the primary structure, as well as a 6,960 square-foot future storage yard located on the North face of the primary structure. The primary building material is textured, pre-cast concrete. The building materials for the entrance to the structure are composite, metal wall panels, glass in an aluminum wall framing, and EIFS to match the color of the pre-cast concrete.

Public Policy

Comprehensive Plan – Feb 2007

See Comprehensive Plan discussion above under “Development Plan Review (WC 16.04.165)”.

Westfield Thoroughfare Plan

The Westfield-Washington Township Thoroughfare Plan (the “Thoroughfare Plan”) roadway classification map identifies the impacted segment along Oak Ridge Road as a “Secondary Arterial” and recommends a sixty (60) foot half right-of-way. The Thoroughfare Plan further recommends an eight (8) foot asphalt path within the right-of-way. Staff is currently working with the petitioner to indicate this path in the submitted plans for review.

Park & Recreation Master Plan – Dec 2007

The Westfield Parks & Recreation Master Plan focuses on the build-out and development of the community’s existing parks and trails. The Property is adjacent to the Monon Trail and the Midland Trace Trail. The City of Westfield will continue to expand on existing trails in the future.

Water & Sewer System – Aug 2005

The Property is currently served by water and sewer.

Annexation

The Property is within the corporate boundaries of the City of Westfield.

Well Head Protection – Ord. 05-31

The Property is not within a wellhead protection area.

Staff Comments & Recommendation

The submitted plans for 1104-DP-03 & 1104-SIT-02 are fully compliant with the Custom Commerce Park PUD and with the Westfield-Washington Township Zoning Ordinance.

Staff recommends approving the petition with the following condition:

- That all necessary approvals and permits be obtained from the Westfield Public Works Department and the Hamilton County Surveyor's Office.
